INFORMATION CIRCULAR

**for the Annual and Special Meeting of Shareholders
to be held on Thursday, May 25, 2017**

SOLICITATION OF PROXIES

This Information Circular is provided in connection with the solicitation of proxies by and on behalf of the management of Jura Energy Corporation (the “Corporation” or “Jura”) for use at the Annual and Special Meeting (the “Meeting”) of the holders (“Shareholders”) of common shares (“Common Shares”) of the Corporation to be held on Thursday, May 25, 2017 at the office of the Corporation located at Suite 5100, 150 – 6th Avenue SW, Calgary, Alberta at 8 a.m. (Mountain Daylight Time) and at any adjournment(s) thereof, for the purposes set forth in the Notice of Annual and Special Meeting (the “Notice”) that is attached hereto. The information contained herein is given as of April 26, 2017 unless otherwise noted.

No person has been authorized by the Corporation to give any information or make any representations in connection with the transactions described herein other than those contained in this Information Circular and, if given or made, any such information or representation must not be relied upon as having been authorized by the Corporation.

Shareholders of the Corporation who wish to be represented at the Meeting by proxy must complete and deliver the enclosed form of proxy (the “Proxy”) to the Corporation’s transfer agent, Computershare Trust Company (“Computershare”), Attn: Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1 (Facsimile: 1 (866) 249-7775). In order to be valid, proxies (together with any additional documents which may be required as are set out under the heading “Appointment and Revocation of Proxies” that is provided below) must be received by Computershare no later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays) prior to the time of the Meeting or any adjournment(s) thereof.

The board of directors of the Corporation (the “Board of Directors” or the “Board”) has fixed the record date for those entitled to receive notice of and vote at the Meeting as at the close of business on April 20, 2017 (the “Record Date”). Only Shareholders of record as at the Record Date are entitled to receive notice of and vote the Common Shares held as at the Record Date at the Meeting. A transferee who acquires his, her or its Common Shares after the Record Date that wants to vote those Common Shares at the Meeting must obtain from the vendor an executed form of proxy relating to the transferred Common Shares and an undertaking from the vendor that he, she or it will not revoke the executed proxy or personally attend the Meeting to vote the transferred Common Shares.

All amounts presented in this Information Circular are presented in Canadian dollars, unless otherwise stated.

Appointment and Revocation of Proxies

The person named as proxy holder in the enclosed Proxy is a director and officer of the Corporation (the “Management Nominee”). Each Shareholder has the right to appoint a proxy holder other than the Management Nominee, who needs not to be a Shareholder, to attend and to act for the Shareholder and on the Shareholder’s behalf at the Meeting. To exercise such right, the

name of the Management Nominee in the Proxy should be crossed out and the name of the Shareholder's appointee should be legibly printed in the blank space provided.

A Proxy, to be valid, must be in writing and must be executed by the Shareholder or the Shareholder's attorney authorized in writing or, if the Shareholder is a corporation, its name must be completed in the signature section of the Proxy, and the Proxy must be signed by a duly authorized officer or attorney of the corporation, with the corporate seal of the corporation affixed thereto.

A Shareholder who has given a Proxy may revoke it at any time before it is exercised. A Proxy may be revoked by depositing an instrument in writing executed by the Shareholder, or by the Shareholder's duly authorized attorney in writing, or, if the Shareholder is a corporation, under its corporate seal executed by a duly authorized officer or attorney thereof, with Computershare at the aforementioned address at any time up to and including the last business day preceding the date of the Meeting, or any adjournment(s) thereof, or with the chairperson of the Meeting on the day of the Meeting or any adjournment(s) thereof, and upon either of such deposits the Proxy shall be revoked. In addition, a Proxy may be revoked in any other manner permitted by law.

Persons Making the Solicitation

This solicitation is made by and on behalf of management of the Corporation. The costs incurred in the preparation and mailing of the Proxy, the Notice and this Information Circular will be borne by the Corporation. In addition to the solicitation by mail, proxies may be solicited by personal interviews, telephone, or other means of communication and by directors, officers, and employees of the Corporation, who will not be specifically remunerated for such services.

Voting of Proxies and Exercise of Discretion by Proxy

The Management Nominee has been selected by the directors of the Corporation and has indicated his willingness to represent as proxy holder, the Shareholders who appoint him. Each Shareholder may instruct his, her or its proxy holder how to vote his, her or its Common Shares by completing the blanks on the Proxy. Common Shares of the Corporation represented by a properly executed Proxy in favor of the Management Nominee will be voted or withheld from voting in accordance with the instructions given by the Shareholder on the Proxy on any ballot that may be called for and, if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. **In the absence of such instructions, such Common Shares will be voted in favor of all matters set out in the Notice.**

The enclosed Proxy confers discretionary authority upon the proxy holders named in the Proxy with respect to amendments or variations to matters identified in the Notice and with respect to other matters that may properly come before the Meeting. At the time of printing of this Information Circular, management of the Corporation knows no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice and this Information Circular. If any matters that are not now known to the directors and senior officers of the Corporation should properly come before the Meeting, the proxy holders named in the accompanying Proxy will vote on such matters in accordance with their best judgment.

Advice to Beneficial Shareholders

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold their Common Shares in their own name. Shareholders who do not hold Common Shares in their own name (referred to herein as "**Beneficial Shareholders**") should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those shares will not be registered in the Shareholder's name on the records of the Corporation. Such shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered in the name of a clearing agency (such as CDS Clearing and Depository Services Inc., which

acts as nominee for many Canadian brokerage firms). Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) in accordance with instructions received from Beneficial Shareholders. Without specific instructions, a broker and its agents and nominees are prohibited from voting Common Shares for their clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person or that the Common Shares are duly registered in their name.**

Applicable Canadian regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is identical to the form of proxy provided to registered shareholders. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. In Canada, the majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). In most cases, Broadridge mails a scannable voting instruction form in lieu of the form of proxy provided by the Corporation, and asks Beneficial Shareholders to return the voting instruction form to Broadridge. Alternatively, Beneficial Shareholders can either call a toll-free telephone number to vote their Common Shares, or access Broadridge's dedicated voting web site at www.proxyvote.com to deliver their voting instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote Common Shares directly at the Meeting or any adjournment(s) thereof, as the voting instruction form must be returned to Broadridge, or alternatively instructions must be received by Broadridge, well in advance of the Meeting or any adjournment(s) thereof, as the case may be, in order to have the Common Shares voted.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his, her or its broker (or an agent of the broker), a Beneficial Shareholder may attend the Meeting as proxy holder for the registered shareholder and vote the Common Shares in that capacity. A Beneficial Shareholder who wishes to attend the Meeting and indirectly vote his, her or its Common Shares as proxy holder for the registered shareholder, should enter his, her or its own name in the blank space on the form of proxy provided and return the same to his, her or its broker (or broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

General

The Corporation is not using "notice-and-access" to send its proxy-related materials to Shareholders, and paper copies of such materials will be sent to all Shareholders. The Corporation will not send proxy-related materials directly to non-objecting Beneficial Shareholders and such materials will be delivered to non-objecting Beneficial Shareholders through their intermediaries. The Corporation does not intend to pay for intermediaries to deliver to objecting Beneficial Shareholders the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary of National Instrument 54-101*, and an objecting Beneficial Shareholder will not receive the materials unless its intermediary assumes the costs of delivery.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Corporation's authorized capital consists of an unlimited number of Common Shares and an unlimited number of preferred shares (issuable in series), of which 69,076,328 Common Shares and no preferred shares are issued and outstanding as of April 26, 2017. A holder of Common Shares is entitled to one vote on all matters to be considered and acted upon at the Meeting for each Common Share held. The Board of Directors may from time to time fix, before issuance, the designation, rights, privileges, restrictions and conditions attaching to each series of preferred shares.

There are no cumulative or similar voting rights attached to the Common Shares or preferred shares of the Corporation.

Any registered Shareholder of the Corporation at the close of business on the Record Date who either personally attends the Meeting or who completes and delivers a Proxy will be entitled to vote or have his, her or its Common Shares voted at the Meeting. However, a person appointed as proxy holder under the Proxy will be entitled to vote the Common Shares represented by that Proxy only if the Proxy is effectively delivered in the manner set forth under the headings “Solicitation of Proxies” and “Appointment and Revocation of Proxies” set out above.

As of the date hereof, to the knowledge of the directors and executive officers of the Corporation, the only person or company which beneficially owns, or controls or directs, directly or indirectly, Common Shares carrying ten percent (10%) or more of the voting rights attached to the issued and outstanding Common Shares is set out in the table below.

Name	Number of Common Shares	Percentage of Common Shares
Eastern Petroleum Limited (“EPL”)	50,659,076	73.3%

MATTERS TO BE ACTED UPON AT THE MEETING

Appointment of Auditors

At the Meeting, the Shareholders will be asked to vote for the appointment of PricewaterhouseCoopers LLP, Chartered Accountants, of Calgary, Alberta as auditors of the Corporation to serve until the close of the next annual meeting of Shareholders, and to authorize the directors of the Corporation to fix the remuneration to be paid to the auditors. PricewaterhouseCoopers LLP were first appointed auditors of the Corporation by the Board of Directors on January 26, 2007. Fees paid to the auditors for the fiscal years ended December 31, 2015 and December 31, 2016 are more fully described in the Corporation’s Annual Information Form dated March 30, 2017. The Annual Information Form is available for viewing on the internet on the System for Electronic Document Analysis and Retrieval (“SEDAR”), which can be accessed at www.sedar.com.

The resolution appointing auditors must be passed by a simple majority of the votes cast with respect to the resolution by Shareholders present in person or by proxy at the Meeting. **Unless otherwise directed, it is the intention of the Management Nominee to vote proxies in the accompanying form in favor of the appointment of PricewaterhouseCoopers LLP, Chartered Accountants, of #3100, 111 - 5th Avenue SW, Calgary, Alberta, T2P 5L3, as auditors of the Corporation to hold office until the next annual meeting of Shareholders, or until their successor is appointed, and to authorize the directors to fix the remuneration to be paid to the auditors.**

Number of Directors

The Corporation is required by its articles to have a minimum of three and a maximum of fifteen directors. Shareholders will be asked at the Meeting to pass a resolution setting the number of directors to be elected at the Meeting at seven.

The resolution setting the number of directors to be elected must be passed by a simple majority of the votes cast with respect to the resolution by Shareholders present in person or by proxy at the Meeting. **Unless otherwise directed, it is the intention of the Management Nominee to vote Proxies in the accompanying form in favour of setting the number of directors to be elected at the Meeting at seven.**

There is a provision in the articles of the Corporation which permits the Board of Directors to appoint additional directors between annual meetings of Shareholders, provided that the total number of directors so appointed does not exceed one-third of the number of directors elected at the previous annual meeting. Accordingly, a maximum of two additional directors could be appointed by the Board of Directors between annual meetings of Shareholders in this manner, although at the date of this Information Circular, management of the Corporation has no knowledge of any intention by the Board of Directors to appoint any additional directors following the Meeting and prior to the next annual meeting.

Corporate Cease Trade Orders, Penalties or Sanctions with respect to Proposed Directors

As of the date hereof, no proposed director of the Corporation is or has been, within the past ten years, a director or executive officer of any company that:

- (i) while the person was acting in that capacity, was the subject of a cease trade or similar order or an order that denied the company access to any exemption under securities legislation that was in effect for a period of more than 30 consecutive days;
- (ii) after the person ceased to act in such capacity, was the subject of a cease trade or similar order or an order that denied the company access to any exemption under securities legislation that was in effect for a period of more than 30 consecutive days which resulted from an event that

occurred while the person was acting as director, chief executive officer or chief financial officer of the company; or

- (iii) while the person was acting in that capacity (or within a year of that person ceasing to act in that capacity) became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or was subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold its assets,

except that:

- on January 27, 2010, Firstgold Corp. ("**Firstgold**"), a company for which Stephen C. Akerfeldt served as a director, filed for Chapter 11 protection under the United States Bankruptcy Code. On January 28, 2010, Firstgold's shares were delisted from the Toronto Stock Exchange ("**TSX**") for failure to meet the TSX's minimum listing requirements; and
- on July 22, 2009, a cease trade order was issued by the Ontario Securities Commission against the insiders, management, officers and directors of Firstgold, including Stephen C. Akerfeldt, for failure to file various continuous disclosure materials within the prescribed time frame as required by Ontario securities law. All outstanding continuous disclosure materials were subsequently filed and the cease trade order expired on October 10, 2009.

No proposed director has:

- (i) within 10 years before the date of hereof, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director;
- (ii) been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (iii) been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable security holder in deciding whether to vote for a proposed director.

Majority Voting Policy

Shareholders should note that the form of Proxy allows for voting for individual directors rather than for directors as a slate. The Board adopted a Majority Voting Policy effective March 20, 2013, pursuant to which, in an uncontested election of directors, if a director nominated for re-election does not receive more votes cast for such nominee's election than votes withheld from voting, excluding abstentions, that director will submit his or her resignation for consideration by the Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee will consider all of the relevant facts and circumstances, including the director's qualifications, the director's past and expected future contributions to the Corporation, the overall composition of the Board and whether accepting the tendered resignation would cause the Corporation to fail to meet any applicable rule or regulation (including stock exchange listing requirements and applicable securities laws). On that basis, the Corporate Governance and Nominating Committee will recommend to the Board the action to be taken with respect to the offer of resignation. Within 90 days of receiving the final voting results, the Board will issue a press release announcing either the resignation of the director or the Board's decision not to accept the resignation of the director, with reasons justifying such decision.

Approval and Ratification of the Option Plan

At the Meeting, Shareholders will be asked to consider and, if thought appropriate, pass an ordinary resolution (the "**Option Plan Resolution**") approving and ratifying the Corporation's stock option plan (the "**Option Plan**"), as amended and restated, on the terms as set out below.

The Corporation established a stock option plan to secure for the Corporation and the Shareholders the benefits of the incentive inherent in Common Share ownership by directors, senior officers, employees and consultants of the Corporation who could have a significant impact on the future growth and success of the Corporation. The Option Plan was last approved and ratified by Shareholders at the annual and special meeting of the Corporation held on May 17, 2013. On May 17, 2016, the Option Plan expired. There have been no grants of options between the date of the expiry of the Option Plan and the date of this Information Circular.

On July 19, 2016, the Board approved an amended and restated Option Plan to, among other things, reflect the current requirements of the TSX Venture Exchange (the “**Exchange**” or the “**TSX-V**”) in connection with the Corporation’s listing on the Exchange.

The maximum number of Common Shares that may be issued under the Option Plan may not exceed 10% of the number of Common Shares that are outstanding from time to time. In accordance with the rules of the Exchange, “rolling plans” such as the Option Plan must be approved by Shareholders when instituted and every year thereafter. If the Option Plan is not approved by Shareholders, options already granted under the Option Plan will not be affected but the Corporation will not be permitted to grant additional options under the Option Plan and will therefore have to consider other methods of compensating and providing incentives to directors, senior officers, employees and consultants of the Corporation.

As of the date of this Information Circular, there are 1,025,000 options to purchase Common Shares (“**Options**”) outstanding under the Option Plan (representing 1.5% of the outstanding Common Shares), all having an exercise price of \$1.00.

The Board administers the Option Plan, designates from time to time those directors, senior officers, employees and consultants to the Corporation (the “**Participants**”) to whom Options are to be granted and determines the number of Common Shares covered by such Options. Options are granted by the Corporation pursuant to the recommendations and approval of the Board. A summary of the terms of the Option Plan is included in this Information Circular under the heading “Executive Compensation – Option Plan” and the full text of the Option Plan, as amended and restated, is attached hereto as Schedule “A”.

Accordingly, at the Meeting, Shareholders will be asked to consider and vote upon the following resolution:

“BE IT RESOLVED AS AN ORDINARY RESOLUTION OF THE SHAREHOLDERS THAT:

1. 2. Any one director or officer of the Corporation be and is hereby authorized and directed to do all things and to execute and deliver all documents and instruments as may be necessary or desirable to carry out the terms of this resolution.”

To be effective, the Option Plan Resolution must be approved by a simple majority of the votes cast by the Shareholders who vote in person or by proxy at the Meeting on the Option Plan Resolution. In the absence of a contrary instruction, the person designated by management of the Corporation in the form of proxy intends to vote in favour of the Option Plan Resolution.

Approval of the Restricted Share Unit Plan

On April 26, 2017, the Board approved the adoption by the Corporation of a restricted share unit plan (the “**RSU Plan**”). The RSU Plan was established for purposes of compensating directors, officers and employees of the Corporation and its subsidiaries by allowing them to participate in the long-term success of the Corporation, thereby promoting a greater alignment of their interests with the interests of Shareholders.

The maximum number of Common Shares that may be issued under the RSU Plan may not exceed 1,000,000 Common Shares. Further, the Board may not grant restricted share units (“**RSUs**”) under the RSU Plan if the number of Common Shares issuable pursuant to outstanding RSUs, when combined with the number of Common Shares issuable pursuant to outstanding Options granted under the Option Plan and outstanding convertible securities under any other security based compensation arrangements of the Corporation, would exceed 10% of the issued and outstanding Common Shares at the time of the grant. As of the date of this Information Circular, no RSUs have been granted under the RSU Plan.

The full text of the RSU Plan is attached hereto as Schedule “B” and provided below is a summary of the material terms of the RSU Plan:

- Eligible participants in the RSU Plan are directors, officers and employees of the Corporation and its subsidiaries.
- The number of Common Shares issuable to:
 - (i) insiders at any time, under the RSU Plan and under all other security based compensation arrangements of the Corporation, is limited to not more than 10% of the number of Common Shares that are outstanding from time to time;
 - (ii) insiders within any one year period, under the RSU Plan, is limited to not more than 2% of the number of Common Shares that are outstanding from time to time and, under the RSU Plan and under all other security based compensation arrangements of the Corporation, is limited to not more than 10% of the number of Common Shares that are outstanding from time to time; and
 - (iii) any one participant and that participant’s associates within any one year period, under the RSU Plan, is limited to not more than 1% of the number of Common Shares that are outstanding from time to time and, under the RSU Plan and under all other security based compensation arrangements of the Corporation, is limited to not more than 5% of the number of Common Shares that are outstanding from time to time.
- The RSU Plan is administered by the Board. The Board has full and final discretion to interpret the provisions of the RSU Plan and to prescribe, amend, rescind and waive rules and regulations to govern the administration and operation of the RSU Plan.
- Unless earlier terminated in accordance with the RSU Plan, a participant shall have the right to elect to exercise any vested RSUs recorded in the participant’s account by delivering to the Corporation a written notice specifying a date for distribution of Common Shares (the “**Distribution Date**”) in settlement of such RSUs, provided that such date shall not be later than the earlier of: (i) the 30th day after the participant ceases to be eligible to participate under the RSU Plan; or (ii) the fifth anniversary of the date the RSU was awarded (either such date, the “**Final Date**”). In the event that a participant fails to deliver such an exercise notice, the RSUs will be settled on the Final Date.
- Each vested RSU entitles the holder to receive one Common Share on exercise.

- The vesting period of each RSU is determined by the Board; provided however, that if no specific determination is made by the Board at the time of grant, an RSU will vest as to one third on the first, second and third anniversary of the date of grant. The Board may, in its sole discretion, at any time permit the vesting of any or all RSUs held by a participant and the issuance of the Common Shares in respect of such RSUs in the manner and on the terms authorized by the Board, provided that the Board will not, in any case, authorize the vesting of an RSU or the issuance of a Common Share beyond the Final Date applicable to the particular RSU.
- If the Distribution Date of any RSU occurs during a blackout period of the Corporation, the Distribution Date of such RSU shall be extended to the next business day following the end of the blackout period.
- In the event that the Corporation pays a normal cash dividend on its Common Shares in accordance with any dividend policy established by the Corporation, a participant's account shall be credited with dividend equivalents in the form of additional RSUs as of each dividend payment date in respect of which normal cash dividends are paid on Common Shares. Such dividend equivalents shall be computed by dividing: (i) the amount obtained by multiplying the amount of the dividend declared and paid per Common Share by the number of RSUs recorded in the participant's account on the record date for the payment of such dividend, by (ii) the volume weighted average trading price of the Common Shares on the TSX-V for the 5 trading days immediately following the dividend record date for the payment of any dividend made on the Common Shares, with fractions computed to three decimal places. Any additional RSUs resulting from such dividend equivalents shall have the same vesting schedule and Distribution Date as the RSUs to which they relate.
- Subject to any written resolution passed by the Board, if any participant shall cease to hold the position of director, officer or employee of the Corporation or any subsidiaries (as the case may be) for any reason other than death or permanent disability, then all RSUs granted to the participant under the RSU Plan that have not yet vested within 90 days after the date such participant ceases to hold the position of director, officer or employee of the Corporation or any subsidiaries as the case may be, shall terminate without payment and shall be of no further force or effect.
- Subject to any express resolution passed by the Board, if any participant shall cease to hold the position of director, officer or employee of the Corporation or any subsidiaries (as the case may be) by reason of permanent disability, any vested RSUs held by such participant under the RSU Plan at the date such participant ceases to hold the position of director, officer or employee of the Corporation or any subsidiaries as the case may be, shall be automatically settled and the Distribution Date shall be the 90th day after such date and all unvested RSUs shall terminate without payment and shall be of no further force or effect.
- Subject to any express resolution passed by the Board, upon the death of a participant, any vested RSUs held by such participant under the RSU Plan shall be automatically settled and the Distribution Date shall be the 90th day after the death of the participant and all unvested RSUs shall terminate without payment and shall be of no further force or effect.
- In the event of any subdivision, consolidation, stock dividend, capital reorganization, reclassification, exchange, or other change with respect to the Common Shares, or a consolidation, amalgamation, merger, spin-off, sale, lease or exchange of all or substantially all of the property of the Corporation or other distribution of the Corporation's assets to Shareholders, the account of each participant and the RSUs outstanding under the RSU Plan will be adjusted in such manner, if any, as the Board may in its discretion, subject to approval by the TSX-V, deem appropriate to preserve, proportionally, the interests of participants under the RSU Plan.
- Unless otherwise determined by the Board in its sole discretion, upon a Change of Control (as defined in the RSU Plan), all unvested RSUs shall become automatically vested and Common Shares issuable in respect of RSUs shall be issued to participants effective immediately prior to

the completion of the transaction which would result in the Change of Control unless issued prior thereto in accordance with the RSU Plan.

- RSUs are non-transferable except to certain permitted assigns of a participant in accordance with the RSU Plan.
- Subject to any required approval of the TSX-V, the Board may at any time or from time to time, amend, suspend or terminate the RSU Plan or awards granted thereunder for any purpose which, in the good faith opinion of the Board, may be expedient or desirable, including making such amendments to the RSU Plan to comply with rules and policies of any stock exchange on which the Common Shares are listed, provided that none of the following amendments may be made to the RSU Plan or awards granted thereunder without approval of the TSX-V (to the extent the Corporation has any securities listed on such exchange) and the approval of Shareholders: (i) amendments to the RSU Plan which would increase the number of securities issuable under the RSU Plan otherwise than in accordance with the terms of the RSU Plan; (ii) amendments to the RSU Plan which would increase the number of securities issuable to insiders otherwise than in accordance with the terms of the RSU Plan; (iii) amendments that would extend the Distribution Date of any RSUs held by insiders beyond the original Final Date of the RSUs; and (iv) the addition of any form of financial assistance to a participant.

At the Meeting, Shareholders will be asked to consider and, if thought appropriate, pass an ordinary resolution (the “**RSU Plan Resolution**”) approving the RSU Plan, on the terms as set out below. If the RSU Plan is not approved by Shareholders, the Corporation will not be permitted to grant any RSUs under the RSU Plan.

Accordingly, at the Meeting, Shareholders will be asked to consider and vote upon the following resolution:

“BE IT RESOLVED AS AN ORDINARY RESOLUTION OF THE SHAREHOLDERS THAT:

1. The RSU Plan of the Corporation, in the form attached as Schedule “B” to the notice of annual and general meeting and information circular of the Corporation dated April 26, 2017, which provides for the grant of restricted share units to acquire up to 1,000,000 common shares of the Corporation, be and the same is hereby confirmed, ratified and approved; and
2. Any one director or officer of the Corporation be and is hereby authorized and directed to do all things and to execute and deliver all documents and instruments as may be necessary or desirable to carry out the terms of this resolution.”

To be effective, the RSU Plan Resolution must be approved by a simple majority of the votes cast by the Shareholders who vote in person or by proxy at the Meeting on the RSU Plan Resolution. In the absence of a contrary instruction, the person designated by management of the Corporation in the form of proxy intends to vote in favour of the RSU Plan Resolution.

EXECUTIVE COMPENSATION

Compensation Discussion & Analysis

The Compensation Committee of the Board is responsible for reviewing the compensation policy for the executive officers of the Corporation and making recommendations to the Board. The Corporation’s executive compensation program is designed to attract highly qualified and motivated individuals and to compensate executives based on performance and at a level competitive with peer companies.

The Corporation’s compensation program consists of four components: (1) base salaries, (2) Options granted pursuant to the Corporation’s Option Plan; (3) discretionary bonuses; and (4) other compensation

benefits. The Compensation Committee reviews the various aspects of the Corporation's compensation program from time to time to ensure the effectiveness of the program and whether it adequately reflects the Corporation's business objectives. Details regarding the components of the compensation package are as follows:

- *Annual Base Salary* – Base salaries are typically determined by assessing the executives' abilities, experience, level of responsibility and relative value to the Corporation. Consideration is also given to general marketplace demand for individuals with similar qualifications, and the level of ease or difficulty in filling key positions.
- *Options* – The Corporation's long-term incentive program involves the granting of Options to the executive officers of the Corporation. It is intended to encourage the maximization of Shareholder value by better aligning the interests of the executive officers with the interests of Shareholders. Previous Option grants are taken into account when considering grants of new Options. Significant terms of the Option Plan are outlined under the heading "Option Plan" below.
- *Bonuses* – Bonuses for senior management are determined by the Board on the recommendation of the Compensation Committee based on the individual performance of the officer in question and in particular, the officer's achievement of performance goals, which may be evaluated by the Board using both objective and subjective criteria.
- *Other Compensation Benefits* – These includes contribution to the Provident Fund, vehicle rentals, medical expense reimbursements and fuel allowance:
 - *Provident Fund* – Pursuant to a trust arrangement, a third party trustee maintains a fund (the "**Provident Fund**") for the benefit of employees of Jura's wholly-owned subsidiary, Spud Energy Pty Limited ("**Spud**"), in Pakistan. Pursuant to the fund rules, employees may contribute up to 10% of their base salary to the fund, which is matched by the employer. Employees receive their share of the fund upon termination of their employment for any reason.

During 2016, the Corporation's executive officers were compensated through base salaries, bonuses and Provident Fund contributions. No Options were granted to the executive officers in 2016.

In recent years, executive compensation has been determined based on Board discussion without any formal criteria and it is expected that compensation will continue to be determined on this basis without any formal criteria in the foreseeable future. Management's performance has been evaluated in the context of its progress towards implementing corporate strategy and achieving goals. Consideration is also given to the Corporation's areas of interest, the timing and evaluation of exploration and development activities, partnership, joint venture and property opportunities, and the overall financial health of the Corporation. The Board has also considered leadership in the executive's area of responsibility, teamwork and personal development in determining executive compensation.

The Compensation Committee considers the implications of risks associated with Jura's compensation policies and practices to determine and identify significant areas of risk, if any. Since Options and bonuses have, in recent years, been determined on qualitative measures at the sole discretion of the Board, the Compensation Committee does not consider that there are any significant risks that are reasonably likely to have an adverse effect on Jura.

Pursuant to the Corporation's insider trading policy, directors and officers of the Corporation are prohibited from engaging in transactions that could reduce or limit their economic risk with respect to equity securities of the Corporation granted as compensation or held, directly or indirectly, by such director or officer. Prohibited transactions include hedging strategies, equity monetization transactions, transactions using short sales, puts, calls, exchange contracts, derivatives and other types of financial instruments (including, but not limited to, prepaid variable forward contracts, equity swaps, collars and exchange funds), and limited recourse loans to the director or officer secured by equity securities of the Corporation.

Compensation Governance

The Compensation Committee assists the Board in establishing and monitoring the compensation of the directors, officers and key employees of the Corporation and aligning compensation with the strategies, business plans and objectives of the Corporation with the assistance of independent professional consultants when deemed necessary in fulfilling its duties under its mandate. The responsibilities, powers and operation of the Compensation Committee are summarized under “Statement of Corporate Governance Practices – Compensation” below.

The Compensation Committee is currently comprised of two directors, namely Timothy M. Elliott, who acts as chairman of the Compensation Committee and Stephen C. Akerfeldt. Each member of the Compensation Committee was determined to be independent by the Board in accordance with prescribed independence rules. Each member of the Compensation Committee has knowledge about compensation design and administration and has direct experience that is relevant to his responsibilities for executive compensation within the Corporation as each of the members of the Compensation Committee has served as an officer and/or director of publicly listed companies of a size comparable to or larger than Jura. The skills and experience possessed by the members of the Compensation Committee enable them to make decisions on the suitability of the Corporation’s compensation policies and practices and fulfill the committee mandate.

The Compensation Committee meets once each year, if required, to review the compensation package for the officers of the Corporation, including finalizing bonus amounts. The Compensation Committee also meets at other times during the year as necessary, such as when annual option grants are considered and when a component of the Corporation’s overall compensation package is being amended or reviewed. In the year ended December 31, 2016, the Compensation Committee did not hold a meeting.

Since the beginning of Jura’s most recently completed financial year, no compensation consultant or advisor has been retained to assist the Board or the Compensation Committee in determining compensation for any of Jura’s directors or executive officers.

Incentive Plan Awards

Historically, the Board has made option grants to officers to align the interests of management and shareholders, to reward good performance and to attract and retain quality employees. Options are granted from time to time as the Corporation hires new executives, including NEOs, and when compensation is reviewed by the Compensation Committee, at the request of and with input from the CEO, in order to rebalance the compensation package throughout the Corporation. This review is done at least annually and when there has been a significant compensation event which could be a significant new hire, promotions or a significant exercise or cancellation of options. When reviewing Option grants, consideration is given to the total compensation package of the executives, including past grants, and performance by the executive. At the time an Option is granted, consideration is also given to the available Option pool remaining.

The following table sets out all incentive plan awards that were outstanding for each NEO at the end of the most recently completed financial year.

- Common Shares representing no more than 5% of the issued and outstanding Common Shares of the Corporation may be reserved for issuance pursuant to Options granted to any one Participant and Corporations wholly owned by that person (excluding a consultant) within a 12 month period (unless the Corporation has obtained the requisite disinterested shareholder approval).

However, Options granted under the Option Plan must have an exercise price of not less than the “Discounted Market Price” of the Common Shares at the time of grant (as such term is defined in TSX-V Policy 1.1). “Discounted Market Price” means the last closing price of the Corporation’s Common Shares less a maximum discount permitted at the relevant time by the rules of the Exchange.
- The Board is given the authority to: (i) construe and interpret the Option Plan and all agreements entered into under the Option Plan; (ii) prescribe, amend and rescind rules and regulations relating to the Option Plan; and (iii) make all other determinations necessary or advisable for the administration of the Option Plan, in each case, without obtaining the approval of Shareholders.

- In the event of the subdivision or consolidation of the outstanding Common Shares, the number of Common Shares subject to the Option Plan shall be increased or decreased proportionately and in any such event, a corresponding adjustment shall be made changing the number of Shares deliverable upon the exercise of any Option granted prior to such event without any change in the total price applicable to the unexercised portion of the Option, but with a corresponding adjustment in the price for each Share covered by the Option. If the Corporation is reorganized or merged or consolidated or amalgamated with another corporation, appropriate provisions shall be made for the continuance of the Options outstanding under this Plan and to prevent their dilution or enlargement.

- All benefits, rights and Options accruing to any Participant in accordance with the terms and conditions of the Option Plan will not be transferable or assignable unless specifically provided for under the Option Plan.

For greater certainty, amendments to: (i) reduce the number of Common Shares under option; (ii) increase the exercise price; or (iii) cancel an option, may be undertaken without the approval of the Exchange, provided that the Corporation issues a news release outlining the terms of the amendment.

10. Method of Exercise or Surrender of Option

- (a) Except as set forth in Sections 11 and 12 below or as otherwise determined by the Board, no Option may be exercised or surrendered unless the holder of such Option is, at the time the Option is exercised or surrendered, a director, senior officer, employee or a Consultant of the Corporation or a subsidiary of the Corporation, as applicable.
- (b) Subject to the other provisions of this Plan and any vesting limitations imposed by the Exchange or by the Board at the time of grant, Options may be exercised or surrendered, in whole or in part, at any time or from time to time, by a Participant by written notice given to the Corporation specifying the number of Optioned Shares to be purchased at the Exercise Price for such Optioned Shares, and the notice shall be accompanied by payment in full of the Exercise Price for the Optioned Shares with respect to which the Options are being exercised.
- (c) A Participant shall not be obligated to purchase and pay for any Optioned Shares other than those Optioned Shares in respect of which the Participant shall have exercised Options pursuant to paragraph 10(b) above.
- (d) Upon the exercise of Options pursuant to paragraph 10(b) above, the Corporation shall use its reasonable efforts to forthwith deliver, or cause the registrar and transfer agent of the Shares to deliver, to the relevant Participant (or his or her legal or personal representative) or to the order thereof, a certificate representing the number of Shares with respect to which Options have been exercised, such Shares to be issued as fully paid and non-assessable Shares.
- (e) The Corporation shall not make loans to Participants in order to allow Participants to pay for any Optioned Shares.

11. Ceasing to be a Director, Senior Officer, Employee or Consultant

If any Participant who is a director, senior officer, employee or Consultant of the Corporation or a subsidiary of the Corporation shall cease to be a director, senior officer, employee or Consultant of the Corporation or a subsidiary of the Corporation for any reason other than cause, death, permanent disability or retirement, his or her Options will terminate at 5:00 p.m. (Calgary time) on the earlier of the date of expiration of the relevant Option Periods and the ninetieth (90th) day after the date on which such Participant ceases to be a director, senior officer, employee or Consultant of the Corporation or a subsidiary of the Corporation. During such period, such Participant’s Options shall be exercisable only to the extent that the Participant was entitled to exercise the Options as at the last day on which he was a director, senior officer, employee or Consultant of the Corporation or a subsidiary of the Corporation. For the purposes of the foregoing, a Participant’s employment shall be deemed to cease the last day of his or her actual and active employment, whether determined by agreement or unilaterally by the Corporation or a subsidiary of the Corporation and whether with or without advance notice. For greater certainty, entitlement under the Plan shall be determined without reference to any period of notice which is given or ought to be given under applicable law.

Neither the selection of any person as a Participant nor the granting of an Option to any Participant under this Plan shall: (i) confer upon such Participant any right to continue as a director, senior officer, employee or Consultant of the Corporation or any subsidiary of the Corporation; or (ii) be construed as a guarantee that the Participant will continue as a director, senior officer, employee or Consultant of the Corporation or any subsidiary of the Corporation.

12. Cause, Death, Permanent Disability or Retirement of a Participant

If a Participant who is a director, senior officer or employee of the Corporation or a subsidiary of the Corporation shall cease to be a director, senior officer or employee of the Corporation or a subsidiary of the Corporation for cause, or in the case of a Consultant, if the consulting agreement or arrangement between the Corporation and/or a subsidiary of the Corporation and the consultant is terminated as a result of a material breach by the Consultant, all Options previously granted to him or her shall immediately expire and terminate.

In the event of the death, permanent disability or retirement of a Participant, any Options previously granted to him or her shall be exercisable until the end of the Option Periods for such Options or until the expiration of 12 months after the date of death, permanent disability or retirement of such Participant, whichever is earlier, and then, in the event of death or permanent disability, only:

- (a) by the person or persons to whom the Participant's rights under such Options shall pass by the Participant's will or applicable law; and
- (b) to the extent that he or she was entitled to exercise the Options as at the date of his or her death or permanent disability.

13. Rights of Participants

No person entitled to exercise any Option granted under this Plan shall have any of the rights or privileges of a shareholder of the Corporation in respect of any Shares issuable upon exercise of such Option until such Shares have been paid for in full and issued to such person.

14. Proceeds from Exercise of Options

The proceeds from any sale of Shares issued upon the exercise of Options shall be added to the general funds of the Corporation and shall thereafter be used from time to time for such corporate purposes as the Board may determine.

15. Tax Withholdings

The Corporation shall be entitled to withhold from any amount payable to a Participant, either under this Plan or otherwise, such amount as may be necessary so as to ensure that the Corporation is in compliance with the applicable provisions of any federal, provincial or local laws relating to the withholding of tax or other required deductions.

16. Adjustments

- (a) The number of Shares subject to the Plan shall be increased or decreased proportionately in the event of the subdivision or consolidation of the outstanding Shares, and in any such event, a corresponding adjustment shall be made changing the number of Shares deliverable upon the exercise of any Option granted prior to such event without any change in the total price applicable to the unexercised portion of the Option, but with a corresponding adjustment in the price for each Share covered by the Option. If the Corporation is reorganized or merged or consolidated or amalgamated with another corporation, appropriate provisions shall be made for the continuance of the Options outstanding under this Plan and to prevent their dilution or enlargement.
- (b) Adjustments under this Section 16 shall be made by the Board, whose determination as to what adjustments shall be made and the extent thereof shall be final, binding and conclusive. No fractional Shares shall be issued under this Plan on any such adjustment.

17. Change of Control Event

Notwithstanding any other provision of this Plan, in the event of an actual or potential Change of Control Event (as hereinafter defined), the Board may, in its discretion, without the necessity or requirement for

the agreement of any Participant: (i) accelerate, conditionally or otherwise, on such terms as it sees fit, the vesting date of any Option; (ii) permit the conditional exercise of any Option, on such terms as it sees fit; (iii) otherwise amend or modify the terms of the Option to assist the Participants to tender the underlying Shares to, or participate in, the actual or potential Change of Control Event or to obtain the advantage of holding the underlying Shares during such Change of Control Event; and (iv) terminate, following the successful completion of such Change of Control Event, on such terms as it sees fit, the Options not exercised prior to the successful completion of such Change of Control Event. The determination of the Board in respect of any such Change of Control Event shall for the purposes of this Plan be final, conclusive and binding.

For the purpose of this Plan, a “**Change of Control Event**” means:

- (a) the sale by the Corporation of all or substantially all of its assets;
- (b) the acceptance by the shareholders, representing in the aggregate thirty percent (30%) or more of all of the issued Shares, of any offer, whether by way of a takeover bid or otherwise, for all or any of the outstanding Shares; provided that no change of control event shall be deemed to have occurred if upon completion of any such transaction individuals who were members of the Board immediately prior to the effective date of such transaction constitute a majority of the board of directors of the resulting corporation following such effective date;
- (c) the acquisition, by whatever means, by a person (or two or more persons who, in such acquisition, have acted jointly or in concert or intend to exercise jointly or in concert any voting rights attaching to the Shares acquired), directly or indirectly, of beneficial ownership of such number of Shares or rights to Shares, which together with such person's then-owned Shares and rights to Shares, if any, represent (assuming the full exercise of such rights) 30% or more of the combined voting rights attached to the then outstanding Shares;
- (d) the entering into of any agreement by the Corporation to merge, consolidate, restructure, amalgamate, initiate an arrangement or be absorbed by, into or with another corporation; provided that no Change of Control Event shall be deemed to have occurred if upon completion of any such transaction individuals who were members of the Board immediately prior to the effective date of such transaction constitute a majority of the board of directors of the resulting corporation following such effective date;
- (e) the passing of a resolution by the Board or shareholders to substantially liquidate the assets of the Corporation or wind up the Corporation's business or significantly rearrange its affairs in one or more transactions or series of transactions or the commencement of proceedings for such a liquidation, winding-up or re-arrangement (except where such re-arrangement is part of a *bona fide* reorganization of the Corporation in circumstances where the business of the Corporation is continued and the shareholdings remain substantially the same following the re-arrangement); or
- (f) individuals who were members of the Board immediately prior to a meeting of the shareholders involving a contest for the election of directors no longer constitute a majority of the Board following such election.

18. Transferability

All benefits, rights and Options accruing to any Participant in accordance with the terms and conditions of this Plan shall not be transferable or assignable unless specifically provided herein. The Corporation shall not recognize any attempted exercise or surrender of Options by any purported assignee of a Participant. During the lifetime of a Participant, the Participant's Options may be exercised only by the Participant, and in the event of the death or permanent disability of a Participant, the Participant's Options may be exercised only by the person or persons to whom the Participant's rights under the Options pass by the Participant's will or applicable law.

19. Amendment and Termination

- (a) Subject to any required approval of the Exchange, the Board may at any time amend, revise, suspend or terminate the terms of this Plan or any Options, without obtaining the approval of shareholders, provided that no such amendment or revision shall in any manner materially adversely affect the rights of any Participant under any Options theretofore granted under this Plan without such Participant's consent except as expressly provided in the Plan. For greater certainty, amendments under this section to: (i) reduce the number of Shares under option; (ii) increase the exercise price; or (iii) cancel an option, may be undertaken without the approval of the Exchange, provided that the Corporation issues a news release outlining the terms of the amendment.
- (b) Provided that the Corporation is then listed on the Toronto Stock Exchange (the "TSX") and is in compliance with the applicable TSX requirements, the Board may, without shareholder approval but subject to receipt of requisite approval as required by the TSX, amend the Plan to provide for the addition of a cashless exercise feature, payable in cash or securities.

20. Necessary Approvals

The obligation of the Corporation to issue and deliver Shares in accordance with this Plan is subject to applicable securities legislation and to the receipt of any approvals that may be required from any regulatory authority having jurisdiction over the Corporation and the Exchange. If Shares cannot be issued to a Participant upon the exercise of an Option due to legal or regulatory restrictions, the obligation of the Corporation to issue such Shares shall terminate and any funds paid to the Corporation in connection with the exercise of such Option will be returned to the relevant Participant as soon as practicable.

21. TSX Venture Exchange Rules

This Plan and any option agreements entered into hereunder shall comply with the requirements from time to time of the Exchange.

22. Right to Issue Other Shares

As of the Distribution Date, the RSUs in respect of which such Shares are issued shall be cancelled and no further payments shall be made to the Participant under the Plan in relation to such RSUs.
- (b) As a condition to the issue of Shares in payment of any RSUs, the Company may require that the Participant (1) pay to the Company such amount as the Company is obligated to remit to the relevant taxing authority in respect of the issuance of the Shares in payment of the RSUs (the “**Applicable Withholding Amount**”); (2) withhold the Applicable Withholding Amount from any remuneration or other amount otherwise payable by the Company to the Participant; (3) require a sale of a number of Shares issued upon payment of the RSUs and the remittance to the Company of the net proceeds from such sale sufficient to satisfy the Applicable Withholding Amount; or (4) enter into any other arrangements suitable to the Company to enable the Company to satisfy the Applicable Withholding Amount, including any combination of the foregoing. Subject to the rules and regulations of any exchange on which the Shares are listed for trading, notwithstanding any other provisions of this Plan, if the Distribution Date of any RSU occurs during a Black-Out Period (as defined below), the Distribution Date of such RSU shall be extended to the next business day following the end of the Black-Out Period. "Black-Out Period" means the period of time when, pursuant to any policies of the Company, any securities of the Company may not be traded by certain persons as designated by the Company, including any holder of an RSU.

ARTICLE 5 GENERAL

5.1 Amendment, Suspension, or Termination of Plan

- (a) Subject to Sections 5.1(b) and 5.1(c) below and to the rules and policies of any stock exchange on which the Shares are listed and applicable law, the Board may, without notice or shareholder approval, at any time or from time to time, amend, suspend or terminate the Plan or awards granted hereunder for any purpose which, in the good faith opinion of the Board, may be expedient or desirable, including making such amendments to the Plan to comply with rules and policies of any stock exchange on which the Shares are listed.
- (b) Notwithstanding Section 5.1(a) but subject to 5.1(f), the Board shall not alter or impair any rights or increase any obligations with respect to an RSU previously granted under the Plan without the consent of the Participant.
- (c) Notwithstanding Section 5.1(a), none of the following amendments shall be made to this Plan or awards granted hereunder without approval of the TSXV (to the extent the Company has any securities listed on such exchange) and the approval of shareholders:

- (i) amendments to the Plan which would increase the number of securities issuable under the Plan otherwise than in accordance with the terms of this Plan;
- (ii) amendments to the Plan which would increase the number of securities issuable to Insiders otherwise than in accordance with the terms of this Plan;
- (iii) amendments that would extend the Distribution Date of any RSUs held by Insiders beyond the original Final Date of the RSUs; and
- (iv) the addition of any form of financial assistance to a Participant.

Such amendments shall require the approval of the holders of the Company's Shares by ordinary resolution.

- (d) If the Board terminates or suspends the Plan, no new RSUs will be credited to the account of a Participant. Previously credited RSUs whether or not vested, may, at the Board's election, be accelerated (if unvested) and/or Shares issuable in respect of such RSU may be distributed to Participants or may remain outstanding. In the event that an RSU remains outstanding following a suspension or termination of the Plan, such RSU shall not be entitled to Dividend Equivalents unless at the time of termination or suspension the Board determines that the entitlement to Dividend Equivalents after termination or during suspension, as applicable, should be continued.
- (e) The Board shall not require the consent of any affected Participant in connection with a termination of the Plan in which the vesting of all RSUs held by the Participant are accelerated and the Payment Shares are issued to the Participant in respect of all such RSUs.
- (f) The Plan will terminate on the date upon which no further RSUs remain outstanding.

5.2 Compliance with Laws

The administration of the Plan shall be subject to and made in conformity with all applicable laws and any regulations of a duly constituted regulatory authority. If at any time the Board determines that the listing, registration or qualification of the Shares subject to the RSU upon any securities exchange or under any provincial, state, federal or other applicable law, or the consent or approval of any governmental body, securities exchange, or the holders of the Shares generally, is necessary or desirable, as a condition of, or in connection with, the granting of such RSUs or the issue of Shares thereunder, no such RSU may be awarded or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Board.

5.3 Reorganization of the Company

The existence of any RSUs shall not affect in any way the right or power of the Company or its shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, or to create or issue any bonds, debentures, shares or other securities of the Company or to amend or modify the rights and conditions attaching thereto or to effect the dissolution or liquidation of the Company, or any amalgamation, combination, merger or consolidation involving the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

5.4 Assignment

Rights and obligations under the Plan may be assigned by the Company to a successor in the business of the Company, any company resulting from any amalgamation, reorganization, combination, merger or arrangement of the Company, or any company acquiring all or substantially all of the assets or business of the Company.

5.5 Units Non-Transferable

RSUs are non-transferable except to a Permitted Assign. Certificates representing RSUs will not be issued by the Company.

5.6 Participation to be Determined by Board; No Additional Rights

The participation of any Participant in the Plan shall be determined by resolution of the Board. Nothing in this Plan shall be construed to provide the Participant with any rights whatsoever to participate or to continue participation in this Plan, or to compensation or damages in lieu of participation. The Company does not assume responsibility for the personal income tax liability or other tax consequences for the Participants and they are advised to consult with their own tax advisors.

5.7 No Shareholder Rights

Under no circumstances shall RSUs be considered Shares or other securities of the Company, nor shall they entitle any Participant to exercise voting rights or any other rights attaching to the ownership of Shares or other securities of the Company, nor shall any Participant be considered the owner of Shares by virtue of the award of RSUs. A Participant will acquire rights to Shares in respect of RSUs only upon the allotment and issuance to the Participant of certificates representing such Shares.

5.8 Fractions

No fractional Share will be issued pursuant to an award granted hereunder. The number of Shares issuable upon payment of any award granted under this Plan will be rounded down to the nearest whole number of Shares. No payment or other adjustment will be made with respect to the fractional Share so disregarded.

5.9 Unfunded and Unsecured Plan

Unless otherwise determined by the Board, the Plan shall be unfunded and the Company will not secure its obligations under the Plan. To the extent any Participant or his or her estate holds any rights by virtue of a grant of RSUs under the Plan, such rights (unless otherwise determined by the Board) shall be no greater than the rights of an unsecured creditor of the Company.

5.10 Market Fluctuations

No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of Shares, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose. The Company makes no representations or warranties to Participants with respect to the Plan or the Shares whatsoever. In seeking the benefits of participation in the Plan, a Participant agrees to accept all risks associated with a decline in the market price of Shares.

5.11 Participant Information

Each Participant shall provide the Company with all information (including personal information) required by the Company in order to administer to the Plan. Each Participant acknowledges that information required by the Company in order to administer the Plan may be disclosed to other third parties in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Company to make such disclosure on the Participant's behalf.

5.12 Indemnification

Every director of the Company will at all times be indemnified and saved harmless by the Company from and against all costs, charges and expenses whatsoever including any income tax liability arising from any such indemnification, that such director may sustain or incur by reason of any action, suit or proceeding, taken or threatened against the director, otherwise than by the Company, for or in respect of any act done or omitted by the director in respect of administering this Plan, such costs, charges and

expenses to include any amount paid to settle such action, suit or proceeding or in satisfaction of any judgment rendered therein.

5.13 Effective Date of the Plan

This Plan becomes effective on a date to be determined by the Board.

5.14 Governing Law

The Plan shall be governed by, and interpreted in accordance with, the laws of the Province of Alberta and the laws of Canada applicable therein, without regard to principles of conflict of laws.

APPROVED by the Board this 26th day of April, 2017.
