

Jura Energy Corporation Announces Update to Q1 Filings

CALGARY, Alberta, June 29, 2020 -- Jura Energy Corporation ("Jura" or the "Company") is providing an update on the status of the filing of the Company's interim financial statements for the three month period ended March 31, 2020 and related management's discussion and analysis (collectively, the "Q1 Filings") which will be delayed in accordance with ASC Blanket Order 51-517 - *Temporary Exemption from Certain Corporate Finance Requirements* (the "Blanket Order"), as previously announced by the Company on April 27, 2020 and May 29, 2020.

Until the Company has filed and announced the required Q1 Filings all management and other insiders are subject to the Company's share trading and black-out policy that reflects the principles in section 9 of National Policy 11-207 - *Failure-to-File Cease Trade Orders and Revocations in Multiple Jurisdictions*.

Jura estimates that the Q1 Filings will be filed no later than July 15, 2020.

Since the news release on May 29, 2020 the Company has disclosed by way of news release the following material business developments:

- The filing on June 2, 2020 of the audited annual financial statements of the Company for the year ended December 31, 2020, along with the annual information form and related management discussion and analysis of the Company; and
- The entering into of a running finance facility totalling Pakistan Rupees 425 million, as announced by the Company on June 11, 2020.

Other than these previously disclosed events, there have been no other material business developments for the Company since the news release of the Company on May 29, 2020.

About Jura Energy Corporation

Forward Looking Advisory

This press release contains certain forward-looking statements and forward-looking information (collectively referred to herein as "forward-looking statements") within the meaning of Canadian securities laws. The words "expected" and similar expressions are used to identify forward looking information. Specific forward-looking statements in this press release include information concerning anticipated securities filings and the timing of anticipated securities filings pursuant to ASC Blanket Order 51-517 - Temporary Exemption from Certain Corporate Finance Requirements.

The forward-looking statements contained in this press release are based on management's beliefs, estimates and opinions on the date the statements are made in light of management's experience, current conditions and expected future development in the areas in which Jura is currently active and other factors management believes are appropriate in the circumstances. Jura undertakes no obligation to update publicly or revise any forward-looking statement or information, whether as a result of new information, future events or otherwise, unless required by applicable law.

Readers are cautioned not to place undue reliance on forward-looking information. By their nature, forward-looking statements are subject to numerous assumptions, risks and uncertainties that contribute to the possibility that the predicted outcome will not occur, including some of which are beyond Jura's control. These assumptions and risks include, but are not limited to: the risks associated with the oil and gas industry in general such as operational risks in exploration, development and production, delays or changes in plans with respect to exploration or development projects or capital expenditures, the imprecision of resource and reserve estimates, assumptions regarding the timing and costs relating to production and development as well as the availability and price of labour and equipment, weather, volatility of and assumptions regarding commodity prices and exchange rates, marketing and transportation risks, environmental risks, the ability to access sufficient capital from internal and external sources, changes in applicable law, and risks resulting from the global COVID-19 pandemic and its effects on general economic conditions and public markets, Jura's business, and the ability of Jura to prepare and approve required filings in a timely manner. Additionally, there are economic, political, social and other risks inherent in carrying on business in Pakistan. There can be no assurance that forward-looking statements will prove to be accurate as actual results and future events could vary or differ materially from those anticipated in such statements. See Jura's Annual Information Form for the year ended December 31, 2019, available on SEDAR at www.sedar.com, for further description of the risks and uncertainties associated with Jura's business.
