**INFORMATION CIRCULAR
for the Annual and Special Meeting of Shareholders
to be held on June 28, 2021**

SOLICITATION OF PROXIES

This Information Circular is provided in connection with the solicitation of proxies by and on behalf of the management of Jura Energy Corporation (the “Corporation” or “Jura”) for use at the Annual and Special Meeting (the “Meeting”) of the holders (“Shareholders”) of common shares (“Common Shares”) of the Corporation to be held on June 28, 2021 at 9:00 a.m. (Mountain Daylight Time) virtually via live audio webcast online at <https://web.lumiagm.com/299046011> and at any adjournment(s) thereof, for the purposes set forth in the Notice of Annual and Special Meeting (the “Notice”) that is attached hereto.

The information contained herein is given as of May 27, 2021 unless otherwise noted.

No person has been authorized by the Corporation to give any information or make any representations in connection with the transactions described herein other than those contained in this Information Circular and, if given or made, any such information or representation must not be relied upon as having been authorized by the Corporation.

Shareholders of the Corporation who wish to be represented at the Meeting by proxy must complete and deliver the enclosed form of proxy (the “Proxy”) to the Corporation’s transfer agent, to Computershare Trust Company (“Computershare”). A Proxy can be submitted to Computershare either in person, or by mail or courier, to 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or via the internet at www.investorvote.com. In order to be valid, the Proxy (together with any requirements as set out under the heading “Appointment and Revocation of Proxies” that is provided below) must be deposited with Computershare by no later than June 26, 2021, 9:00 a.m. MT, or if the Meeting is adjourned or postponed, not less than 48 hours, excluding Saturdays, Sundays and statutory holidays, before the commencement of such adjourned or postponed Meeting. If a shareholder who has submitted a Proxy attends the Meeting via the webcast and has accepted the terms and conditions when entering the Meeting online, any votes cast by such shareholder on a ballot will be counted and the submitted Proxy will be disregarded.

The board of directors of the Corporation (the “Board of Directors” or the “Board”) has fixed the record date for those entitled to receive notice of and vote at the Meeting as at the close of business on May 17, 2021 (the “Record Date”). Only Shareholders of record as at the Record Date are entitled to receive notice of and vote the Common Shares held as at the Record Date at the Meeting. A transferee who acquires his, her or its Common Shares after the Record Date that wants to vote those Common Shares at the Meeting must obtain from the vendor an executed form of Proxy relating to the transferred Common Shares and an undertaking from the vendor that he, she or it will not revoke the executed Proxy or attend the Meeting to vote the transferred Common Shares. Additionally, you must be duly registered online through Computershare as a non-Management Nominee proxyholder as set out in “Appointment and Revocation of Proxies” below.

All amounts presented in this Information Circular are presented in Canadian dollars, unless otherwise stated.

Appointment and Revocation of Proxies

The person named as proxyholder in the enclosed Proxy is a director and officer of the Corporation (the “Management Nominee”). Each Shareholder has the right to appoint a proxyholder other than the Management Nominee, who needs not to be a Shareholder, to attend and to act for the Shareholder and

on the Shareholder's behalf at the Meeting. To exercise such right, the name of the Management Nominee in the Proxy should be crossed out and the name of the Shareholder's appointee should be legibly printed in the blank space provided, AND such proxyholders must be registered online as set out below.

Shareholders who wish to appoint a non-Management Nominee proxyholder to represent them at the online Meeting must submit their Proxy or voting instruction form (if applicable) prior to registering their proxyholder. Registering the proxyholder is an additional step once a Shareholder has submitted their Proxy/voting instruction form. Failure to register a duly appointed proxyholder will result in the proxyholder not receiving a username provided by Computershare (a "Username") to participate in the Meeting. To register a proxyholder, Shareholders MUST visit <https://www.computershare.com/jura> by June 26, 2021, 9:00 a.m. MT and provide Computershare with their proxyholder's contact information, so that Computershare may provide the proxyholder with a Username via email.

Without a Username, proxyholders will not be able to vote at the Meeting.

A Proxy, to be valid, must be in writing and must be executed by the Shareholder or the Shareholder's attorney authorized in writing or, if the Shareholder is a corporation, its name must be completed in the signature section of the Proxy, and the Proxy must be signed by a duly authorized officer or attorney of the corporation, with the corporate seal of the corporation affixed thereto.

For Beneficial Shareholders in the United States, to attend and vote at the virtual Meeting, you must first obtain a valid legal Proxy from your broker, bank or other agent and then register in advance to attend the Meeting. Follow the instructions from your broker or bank included with these Proxy materials, or contact your broker or bank to request a legal proxy form. After first obtaining a valid legal proxy from your broker, bank or other agent, to then register to attend the Annual and Special Meeting, you must submit a copy of your legal proxy to Computershare. Requests for registration should be directed to: Computershare, 100 University Avenue 8th Floor, Toronto, Ontario. M5J 2Y1 OR email at uslegalproxy@computershare.com. Requests for registration must be labeled as "Legal Proxy" and be received no later than June 26, 2021 by 09:00 a.m. MT. You will receive a confirmation of your registration by email after we receive your registration materials. You may attend the June 28, 2021 Meeting and vote your shares at <https://web.lumiagm.com/299046011> during the Meeting. Please note that you are required to register your appointment at www.computershare.com/appointee.

A Shareholder who has given a Proxy may revoke it at any time before it is exercised. A Proxy may be revoked by depositing an instrument in writing executed by the Shareholder, or by the Shareholder's duly authorized attorney in writing, or, if the Shareholder is a corporation, under its corporate seal executed by a duly authorized officer or attorney thereof, with Computershare at the aforementioned address at any time up to and including the last business day preceding the date of the Meeting, or any adjournment(s) thereof, or with the chairperson of the Meeting on the day of the Meeting or any adjournment(s) thereof, and upon either of such deposits the Proxy shall be revoked. In addition, a Proxy may be revoked in any other manner permitted by law. **If you have followed the process for attending and voting at the Meeting online, as set out under "Attending and Participating in the Meeting" below, voting at the Meeting online will revoke your previous Proxy.**

Persons Making the Solicitation

This solicitation is made by and on behalf of the management of the Corporation. The costs incurred in the preparation and mailing of the Proxy, the Notice and this Information Circular will be borne by the Corporation. In addition to the solicitation by mail, proxies may be solicited by personal interviews, telephone, or other means of communication and by directors, officers, and employees of the Corporation, who will not be specifically remunerated for such services.

Voting of Proxies and Exercise of Discretion by Proxy

The Management Nominee has been selected by the directors of the Corporation and has indicated his willingness to represent as proxyholder, the Shareholders who appoint him. Each Shareholder may instruct his, her or its proxyholder how to vote his, her or its Common Shares by completing the blanks on the Proxy. Common Shares of the Corporation represented by a properly executed Proxy in favor of the Management Nominee will be voted or withheld from voting in accordance with the instructions given by the Shareholder on the Proxy on any ballot that may be called for and, if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. **In the absence of such instructions, such Common Shares will be voted in favor of all matters set out in the Notice.**

The enclosed Proxy confers discretionary authority upon the proxyholders named in the Proxy with respect to amendments or variations to matters identified in the Notice and with respect to other matters that may properly come before the Meeting. At the time of printing of this Information Circular, management of the Corporation knows no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice and this Information Circular. If any matters that are not now known to the directors and senior officers of the Corporation should properly come before the Meeting, the proxyholders named in the accompanying Proxy will vote on such matters in accordance with their best judgment.

Advice to Beneficial Shareholders

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold their Common Shares in their own name. Shareholders who do not hold Common Shares in their own name (referred to herein as “**Beneficial Shareholders**”) should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then, in almost all cases, those shares will not be registered in the Shareholder’s name on the records of the Corporation. Such shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such shares are registered in the name of a clearing agency (such as CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). Common Shares held by brokers or their agents or nominees can only be voted (for or against resolutions) in accordance with instructions received from Beneficial Shareholders. Without specific instructions, a broker and its agents and nominees are prohibited from voting Common Shares for their clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person or that the Common Shares are duly registered in their name.**

Applicable Canadian regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is identical to the form of proxy provided to registered shareholders. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. In Canada, the majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). In most cases, Broadridge mails a scannable voting instruction form in lieu of the form of proxy provided by the Corporation and asks Beneficial Shareholders to return the voting instruction form to Broadridge. Alternatively, Beneficial Shareholders can either call a toll-free telephone number to vote their Common Shares, or access Broadridge’s dedicated voting website at www.proxyvote.com to deliver their voting instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote Common Shares directly at the Meeting or any adjournment(s) thereof, as the voting instruction form must be returned to Broadridge, or alternatively instructions must

be received by Broadridge, well in advance of the Meeting or any adjournment(s) thereof, as the case may be, in order to have the Common Shares voted.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his, her or its broker (or an agent of the broker), a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the Common Shares in that capacity. A Beneficial Shareholder who wishes to attend the Meeting and indirectly vote his, her or its Common Shares as proxyholder for the registered shareholder, should enter his, her or its own name in the blank space on the form of proxy provided and return the same to his, her or its broker (or broker's agent) in accordance with the instructions provided by such broker (or agent), and ensure that you are registered as a proxyholder with Computershare in accordance with the instructions set out under "Appointment and Revocation of Proxies" set out above, all well in advance of the Meeting.

Attending and Participating in the Meeting

Jura is holding the Meeting in a virtual-only format, which will be conducted via live audio webcast. Shareholders will not be able to attend the Meeting in person. Attending the Meeting online enables registered Shareholders and duly appointed proxyholders, including Beneficial Shareholders who have duly appointed themselves as proxyholders, to participate in the Meeting and ask questions, all in real time. Registered Shareholders and duly appointed proxyholders can vote at the appropriate times during the Meeting.

Shareholders and duly appointed proxyholders can attend the meeting online by going to <https://web.lumiagm.com/299046011> and can participate in the meeting by clicking "**I have a login**" and entering a Username and Password before the start of the meeting.

- Registered Shareholders - The 15-digit control number located on the form of Proxy or in the email notification you received is the Username and the Password is "**jura2021**"
- Duly appointed proxyholders - Computershare will provide duly appointed and registered non-Management Nominee proxyholders with a Username after the voting deadline has passed. The Password to the meeting is "**jura2021**".

It is recommended that you log in at least one hour before the Meeting starts.

Voting at the meeting will only be available to registered Shareholders and duly-appointed proxyholders. Guests, including Beneficial Shareholders who have not duly appointed themselves as proxyholders, may attend the Meeting by going to <https://web.lumiagm.com/299046011> and clicking "**I am a guest**" and completing the online form. Guests can attend the Meeting but are not able to vote. Beneficial Shareholders who do not have a 15-digit control number or Username will only be able to attend as a guest which allows them listen to the meeting however will not be able to vote or submit questions.

A registered shareholder of Common Shares or a Beneficial Shareholder who has appointed themselves or a third party proxyholder to represent them at the meeting, will appear on a list of shareholders prepared by Computershare, the transfer agent and registrar for the meeting. To have their Common Shares voted at the meeting, each registered Shareholder or proxyholder will be required to enter their control number or Username provided by Computershare at <https://web.lumiagm.com/299046011> prior to the start of the meeting. In order to vote, Beneficial Shareholders who appoint themselves as a proxyholder **MUST** register with Computershare at <https://www.computershare.com/jura> **after** submitting their voting instruction form in order to receive a Username (please see the information under the headings "Appointment and Revocation of Proxies" above for details).

If you are using a 15-digit control number to login to the online meeting and you accept the terms and conditions, you will be revoking any and all previously submitted proxies. However, in such a case, you will be provided the opportunity to vote by ballot on the matters put forth at the meeting. If you **DO NOT**

wish to revoke all previously submitted proxies, do not accept the terms and conditions, in which case you can only enter the meeting as a guest.

If you attend the Meeting online, it is important that you are connected to the internet at all times during the Meeting in order to vote when balloting commences. It is your responsibility to ensure connectivity for the duration of the Meeting. You should allow ample time to check into the Meeting online and complete the related procedure.

In order to participate online, registered Shareholders must have a valid 15-digit control number, and proxyholders must have received an email from Computershare containing a Username.

The Corporation is not using “notice-and-access” to send its proxy-related materials to Shareholders, and paper copies of such materials will be sent to all Shareholders. The Corporation will not send proxy-related materials directly to non-objecting Beneficial Shareholders and such materials will be delivered to non-objecting Beneficial Shareholders through their intermediaries. The Corporation will pay for intermediaries to deliver to objecting Beneficial Shareholders the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary of National Instrument 54-101*.

As of the date hereof, other than as set out below, no proposed director of the Corporation is or has been, within the past ten years, a director or executive officer of any company that:

- (i) while the person was acting in that capacity, was the subject of a cease trade or similar order or an order that denied the company access to any exemption under securities legislation that was in effect for a period of more than 30 consecutive days;
- (ii) after the person ceased to act in such capacity, was the subject of a cease trade or similar order or an order that denied the company access to any exemption under securities legislation that was in effect for a period of more than 30 consecutive days which resulted from an event that occurred while the person was acting as director, chief executive officer or chief financial officer of the company; or
- (iii) while the person was acting in that capacity (or within a year of that person ceasing to act in that capacity) became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or was subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold its assets.⁽¹⁾

No proposed director has:

Notes:

- (1) Mr. Turner was from 2016 until January 24, 2020 a director of Trakopolis IoT Corp. and Trakopolis Saas Corp. (collectively, "Trakopolis") which are currently subject to proceedings under the *Bankruptcy and Insolvency Act* ("BIA") in the Court of Queen's Bench of Alberta. Trakopolis filed a Notice of Intention to make a proposal under the BIA on November 7, 2019 and were deemed to have filed an assignment into bankruptcy on January 27, 2020. The first meeting of creditors in Trakopolis's bankruptcy was held on February 13, 2020. The bankruptcy proceedings remain ongoing as the Licensed Insolvency Trustee completes administration of the estate.

Majority Voting Policy

Shareholders should note that the form of Proxy allows for voting for individual directors rather than for directors as a slate. The Board adopted a Majority Voting Policy effective March 20, 2013, pursuant to which, in an uncontested election of directors, if a director nominated for re-election does not receive more votes cast for such nominee's election than votes withheld from voting, excluding abstentions, that director will submit his or her resignation for consideration by the Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee will consider all of the relevant facts and circumstances, including the director's qualifications, the director's past and expected future contributions to the Corporation, the overall composition of the Board and whether accepting the tendered resignation would cause the Corporation to fail to meet any applicable rule or regulation (including stock exchange listing requirements and applicable securities laws). On that basis, the Corporate Governance and Nominating Committee will recommend to the Board the action to be taken with respect to the offer of resignation. Within 90 days of receiving the final voting results, the Board will issue a press release announcing either the resignation of the director or the Board's decision not to accept the resignation of the director, with reasons justifying such decision.

EXECUTIVE COMPENSATION

Compensation Discussion & Analysis

The Compensation Committee of the Board is responsible for reviewing the compensation policy for the executive officers of the Corporation and making recommendations to the Board. The Corporation's executive compensation program is designed to attract highly qualified and motivated individuals and to compensate executives based on performance and at a level competitive with peer companies.

The Corporation's compensation program consists of four components: (1) base salaries, (2) Options granted pursuant to the Corporation's Option Plan (none granted in 2020); (3) discretionary bonuses; and (4) other compensation benefits. The Compensation Committee reviews the various aspects of the Corporation's compensation program from time to time to ensure the effectiveness of the program and whether it adequately reflects the Corporation's business objectives. Details regarding the components of the compensation package are as follows:

- *Annual Base Salary* – Base salaries are typically determined by assessing the executives' abilities, experience, level of responsibility and relative value to the Corporation. Consideration is also given to general marketplace demand for individuals with similar qualifications, and the level of ease or difficulty in filling key positions;
- *Options* – The Corporation's long-term incentive program involves the granting of Options from time to time to the executive officers of the Corporation. No Options were granted in 2020. It is intended to encourage the maximization of Shareholder value by better aligning the interests of the executive officers with the interests of Shareholders. Previous Option grants are taken into account when considering grants of new Options. Significant terms of the Option Plan are outlined under the heading "Option Plan" below;
- *Performance Bonuses* – Bonuses for senior management are determined by the Board on the recommendation of the Compensation Committee based on the individual performance of the officer in question and in particular, the officer's achievement of performance goals, which may be evaluated by the Board using both objective and subjective criteria;
- *Provident Fund* – Pursuant to a trust arrangement, a third-party trustee maintains a fund (the "Provident Fund") for the benefit of employees of Jura's wholly-owned subsidiary, Spud Energy Pty Limited ("Spud"), in Pakistan. Pursuant to the fund rules, employees may contribute up to 10% of their base salary to the fund, which is matched by the employer. Employees receive their share of the fund upon termination of their employment for any reason; and
- *Other Compensation Benefits* – These includes vehicle rentals, medical expense reimbursements, fuel allowance and, for Named Executive Officers (as defined below), a company-maintained house.

During 2020, the Corporation's executive officers were compensated through base salaries, Provident Fund contributions, bonuses and other compensation benefits. No Options were granted to the executive officers in 2020.

In recent years, executive compensation has been determined based on the Board's discussion without any formal criteria and it is expected that compensation will continue to be determined on this basis without any formal criteria in the foreseeable future. Management's performance has been evaluated in the context of its progress towards implementing corporate strategy and achieving goals. Consideration is also given to the Corporation's areas of interest, the timing and evaluation of exploration and development activities, partnership, joint venture and property opportunities, and the overall financial health of the Corporation. The Board has also considered leadership in the executive's area of responsibility, teamwork and personal development in determining executive compensation.

The Compensation Committee considers the implications of risks associated with Jura's compensation policies and practices to determine and identify significant areas of risk, if any. Since Options and performance bonuses have, in recent years, been determined on qualitative measures at the sole discretion of the Board, the Compensation Committee does not consider that there are any significant risks that are reasonably likely to have an adverse effect on Jura.

Pursuant to the Corporation's insider trading policy, directors and officers of the Corporation are prohibited from engaging in transactions that could reduce or limit their economic risk with respect to equity securities of the Corporation granted as compensation or held, directly or indirectly, by such director or officer. Prohibited transactions include hedging strategies, equity monetization transactions, transactions using short sales, puts, calls, exchange contracts, derivatives and other types of financial instruments (including, but not limited to, prepaid variable forward contracts, equity swaps, collars and exchange funds), and limited recourse loans to the director or officer secured by equity securities of the Corporation.

Compensation Governance

The Compensation Committee assists the Board in establishing and monitoring the compensation of the directors, officers and key employees of the Corporation and aligning compensation with the strategies, business plans and objectives of the Corporation with the assistance of independent professional consultants when deemed necessary in fulfilling its duties under its mandate. The responsibilities, powers and operation of the Compensation Committee are summarized under "Statement of Corporate Governance Practices - Compensation" below.

The Compensation Committee is currently comprised of two directors, namely Timothy M. Elliott, who acts as chairman of the Compensation Committee, and Stephen C. Akerfeldt. Each member of the Compensation Committee was determined to be independent by the Board in accordance with prescribed independence rules. Each member of the Compensation Committee has knowledge about compensation design and administration and has direct experience that is relevant to his responsibilities for executive compensation within the Corporation as each of the members of the Compensation Committee has served as an officer and/or director of publicly listed companies of a size comparable to or larger than Jura. The skills and experience possessed by the members of the Compensation Committee enable them to make decisions on the suitability of the Corporation's compensation policies and practices and fulfill the committee mandate.

The Compensation Committee meets once each year, if required, to review the compensation package for the officers of the Corporation, including finalizing performance bonus amounts. The Compensation Committee also meets at other times during the year as necessary, such as when annual option grants are considered and when a component of the Corporation's overall compensation package is being amended or reviewed. No meeting of the Compensation Committee was held in the year ended December 31, 2020.

Since the beginning of Jura's most recently completed financial year, no compensation consultant or advisor has been retained to assist the Board or the Compensation Committee in determining compensation for any of Jura's directors or executive officers.

Incentive Plan Awards

Historically, the Board has made option grants to officers to align the interests of management and Shareholders, to reward good performance and to attract and retain quality employees. Options are granted from time to time as the Corporation hires new executives, including NEOs, and when compensation is reviewed by the Compensation Committee, at the request of and with input from the CEO, in order to rebalance the compensation package throughout the Corporation. This review is done at least annually and when there has been a significant compensation event which could be a significant new hire, promotions or a significant exercise or cancellation of options. When reviewing Option grants, consideration is given to the total compensation package of the executives, including past grants, and performance by the executive. At the time an Option is granted, consideration is also given to the available Option pool remaining.

The Corporation has also adopted the RSU Plan providing for the grant of share-based awards. To date, no grants have been made to any NEOs pursuant to the RSU Plan.

The following table sets out all incentive plan awards that were outstanding for each NEO at the end of the most recently completed financial year.

- Common Shares representing no more than 5% of the issued and outstanding Common Shares of the Corporation may be reserved for issuance pursuant to Options granted to any one Participant and Corporations wholly owned by that person (excluding a consultant) within a 12 month period (unless the Corporation has obtained the requisite disinterested shareholder approval).

However, Options granted under the Option Plan must have an exercise price of not less than the “Discounted Market Price” of the Common Shares at the time of grant (as such term is defined in TSX-V Policy 1.1). “Discounted Market Price” means the last closing price of the Corporation’s Common Shares less a maximum discount permitted at the relevant time by the rules of the Exchange.
 - The Board is given the authority to: (i) construe and interpret the Option Plan and all agreements entered into under the Option Plan; (ii) prescribe, amend and rescind rules and regulations relating to the Option Plan; and (iii) make all other determinations necessary or advisable for the administration of the Option Plan, in each case, without obtaining the approval of Shareholders.
 - Subject to the other provisions of the Option Plan, the specific terms of an Option including the number of Common Shares subject to each Option, the exercise price, the vesting period, the expiration date of each Option, the extent to which each Option is exercisable from time to time during the term of the Option are determined by the Board; provided however, that if no specific determination is made by the Board with respect to the expiration of Options, each option will, subject to any other specific provisions of the Option Plan, be exercisable for a maximum term of 10 years from the date the Option is granted.
 - If any Options expire during, or within nine business days immediately following, a black-out period or other trading restricted period imposed by the Corporation, then the expiry date of such Options are automatically extended to the tenth business day following the date the relevant black-out period or other trading restricted period imposed by the Corporation is lifted, terminated or removed.

 - In the event of the subdivision or consolidation of the outstanding Common Shares, the number of Common Shares subject to the Option Plan shall be increased or decreased proportionately and in any such event, a corresponding adjustment shall be made changing the number of Shares deliverable upon the exercise of any Option granted prior to such event without any change in the total price applicable to the unexercised portion of the Option, but with a corresponding adjustment in the price for each Share covered by the Option. If the Corporation is reorganized or merged or consolidated or amalgamated with another corporation, appropriate provisions shall be made for the continuance of the Options outstanding under this Plan and to prevent their dilution or enlargement.

- In the event of an actual or potential Change of Control Event (as defined in the Option Plan), the Board may, in its discretion, without the necessity or requirement for the agreement of any Participant: (i) accelerate, conditionally or otherwise, on such terms as it sees fit, the vesting date of any Option; (ii) permit the conditional exercise of any Option, on such terms as it sees fit; (iii) otherwise amend or modify the terms of the Option to assist the Participants to tender the underlying Common Shares to, or participate in, the actual or potential Change of Control Event or to obtain the advantage of holding the underlying Common Shares during such Change of Control Event; and (iv) terminate, following the successful completion of such Change of Control Event, on such terms as it sees fit, the Options not exercised prior to the successful completion of such Change of Control Event.

- Subject to any required approval of the TSX-V, the Board may at any time amend, revise, suspend or terminate the terms of the Option Plan or any Options, without obtaining the approval of Shareholders, provided that no such amendment or revision can in any manner materially adversely affect the rights of any Participant under any Options previously granted under the Option Plan without such Participant's consent except as expressly provided in the Option Plan. For greater certainty, amendments to: (i) reduce the number of Common Shares under option; (ii) increase the exercise price; or (iii) cancel an option, may be undertaken without the approval of the Exchange, provided that the Corporation issues a news release outlining the terms of the amendment.

Restricted Share Unit Plan

The RSU Plan approved by Shareholders at the annual and special meeting of the Corporation held on May 25, 2017, as amended and restated on May 31, 2019, was established for purposes of compensating directors of the Corporation and its subsidiaries by allowing them to participate in the long-term success of the Corporation, thereby promoting a greater alignment of their interests with the interests of Shareholders.

The maximum number of Common Shares that may be issued under the RSU Plan may not exceed 3,000,000 Common Shares. Further, the Board may not grant restricted share units (“RSUs”) under the RSU Plan if the number of Common Shares issuable pursuant to outstanding RSUs, when combined with the number of Common Shares issuable pursuant to outstanding Options granted under the Option Plan and outstanding convertible securities under any other security-based compensation arrangements of the Corporation, would exceed 10% of the issued and outstanding Common Shares at the time of the grant. As of the date of this Information Circular, 1,550,515 RSUs have been granted under the RSU Plan, all to non-executive directors of the Corporation.

Provided below is a summary of the material terms of the RSU Plan:

- Eligible participants in the RSU Plan are directors, officers and employees of the Corporation and its subsidiaries.
- The number of Common Shares issuable to:
 - (i) insiders at any time, under the RSU Plan and under all other security-based compensation arrangements of the Corporation, is limited to not more than 10% of the number of Common Shares that are outstanding from time to time;

- (ii) insiders within any one year period, under the RSU Plan, is limited to not more than 2% of the number of Common Shares that are issued and outstanding calculated on a non-diluted basis, and under the RSU Plan and under all other security based compensation arrangements of the Corporation, is limited to not more than 10% of the number of Common Shares that are issued and outstanding calculated on a non-diluted basis; and
 - (iii) any one participant and that participant's associates within any one year period, under the RSU Plan, is limited to not more than 1% of the number of Common Shares that are issued and outstanding calculated on a non-diluted basis, and under the RSU Plan and under all other security based compensation arrangements of the Corporation, is limited to not more than 5% of the number of Common Shares that are issued outstanding calculated on a non-diluted basis.
- The RSU Plan is administered by the Board. The Board has full and final discretion to interpret the provisions of the RSU Plan and to prescribe, amend, rescind and waive rules and regulations to govern the administration and operation of the RSU Plan.
- Unless earlier terminated in accordance with the RSU Plan, a participant shall have the right to elect to exercise any vested RSUs recorded in the participant's account by delivering to the Corporation a written notice specifying a date for distribution of Common Shares (the "**Distribution Date**") in settlement of such RSUs, provided that such date shall not be later than the earlier of: (i) the 30th day after the participant ceases to be eligible to participate under the RSU Plan; or (ii) the fifth anniversary of the date the RSU was awarded (either such date, the "**Final Date**"). In the event that a participant fails to deliver such an exercise notice, the RSUs will be settled on the Final Date.
- Each vested RSU entitles the holder to receive one Common Share on exercise.
- The vesting period of each RSU is determined by the Board; provided however, that if no specific determination is made by the Board at the time of grant, an RSU will vest as to one third on the first, second and third anniversary of the date of grant. The Board may, in its sole discretion, at any time permit the vesting of any or all RSUs held by a participant and the issuance of the Common Shares in respect of such RSUs in the manner and on the terms authorized by the Board, provided that the Board will not, in any case, authorize the vesting of an RSU or the issuance of a Common Share beyond the Final Date applicable to the particular RSU.
- If the Distribution Date of any RSU occurs during a blackout period of the Corporation, the Distribution Date of such RSU shall be extended to the next business day following the end of the blackout period.
- In the event that the Corporation pays a normal cash dividend on its Common Shares in accordance with any dividend policy established by the Corporation, a participant's account shall be credited with dividend equivalents in the form of additional RSUs as of each dividend payment date in respect of which normal cash dividends are paid on Common Shares. Such dividend equivalents shall be computed by dividing: (i) the amount obtained by multiplying the amount of the dividend declared and paid per Common Share by the number of RSUs recorded in the participant's account on the record date for the payment of such dividend, by (ii) the volume weighted average trading price of the Common Shares on the TSX-V for the 5 trading days immediately following the dividend record date for the payment of any dividend made on the Common Shares, with fractions computed to three decimal places. Any additional RSUs resulting from such dividend equivalents shall have the same vesting schedule and Distribution Date as the RSUs to which they relate.
- Subject to any written resolution passed by the Board, if any participant shall cease to hold the position of director, officer or employee of the Corporation or any subsidiaries (as the case may be) for any reason other than death or permanent disability, then all RSUs granted to the participant

under the RSU Plan that have not yet vested within 90 days after the date such participant ceases to hold the position of director, officer or employee of the Corporation or any subsidiaries as the case may be, shall terminate without payment and shall be of no further force or effect.

- Subject to any express resolution passed by the Board, if any participant shall cease to hold the position of director, officer or employee of the Corporation or any subsidiaries (as the case may be) by reason of permanent disability, any vested RSUs held by such participant under the RSU Plan at the date such participant ceases to hold the position of director, officer or employee of the Corporation or any subsidiaries as the case may be, shall be automatically settled and the Distribution Date shall be the 90th day after such date and all unvested RSUs shall terminate without payment and shall be of no further force or effect.
- Subject to any express resolution passed by the Board, upon the death of a participant, any vested RSUs held by such participant under the RSU Plan shall be automatically settled and the Distribution Date shall be the 90th day after the death of the participant and all unvested RSUs shall terminate without payment and shall be of no further force or effect.
- In the event of any subdivision, consolidation, stock dividend, capital reorganization, reclassification, exchange, or other change with respect to the Common Shares, or a consolidation, amalgamation, merger, spin-off, sale, lease or exchange of all or substantially all of the property of the Corporation or other distribution of the Corporation's assets to Shareholders, the account of each participant and the RSUs outstanding under the RSU Plan will be adjusted in such manner, if any, as the Board may in its discretion, subject to approval by the TSX-V, deem appropriate to preserve, proportionally, the interests of participants under the RSU Plan.
- Unless otherwise determined by the Board in its sole discretion, upon a Change of Control (as defined in the RSU Plan), all unvested RSUs shall become automatically vested and Common Shares issuable in respect of RSUs shall be issued to participants effective immediately prior to the completion of the transaction which would result in the Change of Control unless issued prior thereto in accordance with the RSU Plan.
- RSUs are non-transferable except to certain permitted assigns of a participant in accordance with the RSU Plan.
- Subject to any required approval of the TSX-V, the Board may at any time or from time to time, amend, suspend or terminate the RSU Plan or awards granted thereunder for any purpose which, in the good faith opinion of the Board, may be expedient or desirable, including making such amendments to the RSU Plan to comply with rules and policies of any stock exchange on which the Common Shares are listed, provided that none of the following amendments may be made to the RSU Plan or awards granted thereunder without approval of the TSX-V (to the extent the Corporation has any securities listed on such exchange) and the approval of Shareholders: (i) amendments to the RSU Plan which would increase the number of securities issuable under the RSU Plan otherwise than in accordance with the terms of the RSU Plan; (ii) amendments to the RSU Plan which would increase the number of securities issuable to insiders otherwise than in accordance with the terms of the RSU Plan; (iii) amendments that would extend the Distribution Date of any RSUs held by insiders beyond the original Final Date of the RSUs; and (iv) the addition of any form of financial assistance to a participant.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

Board of Directors

The Board is currently comprised of six directors. Three of the Corporation’s six directors, being Stephen C. Akerfeldt, Timothy M. Elliott and Frank J. Turner are “independent” (as defined in National Instrument 58-101 – *Corporate Governance Disclosure* (“**NI 58-101**”)). The Board has concluded that Nadeem Farooq, as an executive officer of the Corporation, Syed Hasan Akbar Kazmi, as an individual who has accepted consulting fees from the Corporation within the last three years, and Stephen C. Smith, as an individual who accepts indirect consulting fees from the Corporation, are not independent.

Jura’s Board comprises 50% independent directors, who can ensure the independent oversight of management, proper management of conflicts and the protection of the interests of minority shareholders. In order to facilitate the Board’s exercise of independent judgment in carrying out its responsibilities, the mandate of the Board authorizes the independent directors to meet separately from management as considered appropriate. The text of the Board’s written mandate is attached hereto as Schedule “A”.

The Board and committees of the Board periodically hold meetings at which members of management are not present, generally in conjunction with regularly scheduled Board and committee meetings. Since the beginning of the Corporation’s most recently completed financial year, the independent directors of the Board have not held any meetings at which non-independent directors and members of management were not in attendance; however, non-independent directors recuse themselves from Board meetings when appropriate. Open and candid discussion is encouraged at the committee and Board level at all times. Further, the independent members of the Board are authorized to retain independent financial, legal and other experts as required whenever, in their opinion, matters come before the Board which require an independent analysis by the independent members of the Board.

The Board has appointed Mr. Elliott, an independent director, as its Chairman. In accordance with the written position description for the Chairman of the Board, Mr. Elliott’s duties as Chairman include ensuring that: (i) the Board functions properly; (ii) that the Board meets its obligations and responsibilities to the Corporation; and (iii) the Board remains organized and the appropriate mechanisms are in place to ensure that the Board is operating effectively.

The Board has adopted a written Code of Business Conduct and Ethics (the "Code") for its directors, officers and employees. A copy of the Code can be obtained by contacting Nadeem Farooq, the CEO of the Corporation, at Suite 2100, 144 - 4th Avenue SW, Calgary, Alberta T2P 3N4 (Facsimile (403) 265-8875) or on SEDAR at www.sedar.com.

The directors of the Corporation are responsible for monitoring compliance with the Code and for regularly assessing its adequacy.

In addition to the statutory obligations of directors to address conflict of interest matters, pursuant to the Code, each director must disclose all actual or perceived conflicts of interest. Further, a director is expected to refrain from voting on matters in which such director has a real or apparent conflict.

Nomination of Directors

The Board has a Corporate Governance and Nominating Committee composed entirely of independent directors that functions according to a written mandate. The Corporate Governance and Nominating Committee assesses the appropriate number of directors and identifies the skills and experience required to improve the composition and effectiveness of the Board. The Corporate Governance and Nominating Committee then seeks and interviews Board candidates. Once identified, appropriate candidates are recommended to the Board for appointment.

The Corporate Governance and Nominating Committee operates in accordance with a written mandate. Under this mandate, the responsibilities, powers and operation of the Corporate Governance and Nominating Committee include, but are not limited to:

- identifying individuals qualified to become new directors of the Board and recommending to the Board any new director nominees for the next annual meeting of Shareholders;
- recommending to the Board the appointment of members to the committees of the Board and the chairman for each committee annually;

Other Board Committees

For details concerning the Audit Committee of the Corporation see "Audit Committee Disclosure" below. In addition to the Audit Committee, Corporate Governance and Nominating Committee and Compensation Committee, the Corporation currently has a Reserves Committee. The primary function of the Reserves Committee is to assist the Board with respect to the annual review of the Corporation's petroleum and natural gas activities and disclosures.

Assessments

The Corporate Governance and Nominating Committee is responsible for assessing the effectiveness of the Board, its committees and each individual director on an annual basis. No formal assessments took place during the financial year ended December 31, 2020. However, the Board satisfied itself that the Board, its committees and individual directors were performing effectively through informal discussions with, and feedback from, management, Shareholders and individual Board members. The Board will consider implementing regular Board assessments in the future.

Director Term Limits and Other Mechanisms of Board Renewal

The Corporation has not implemented term limits for its directors. The Corporation values the comprehensive knowledge of the Corporation and its operations that long serving directors possess and the contribution that this makes to the Board as a whole. The Corporate Governance and Nominating Committee, in proposing nominees to the Board, will take into consideration whether any Board renewal is necessary.

Diversity

In 2019, amendments to the *Canada Business Corporations Act* (the “CBCA”) and its regulations were adopted which require the Corporation to provide certain information about its policies on “Designated Groups”, which term includes, without limitation, the four designated groups as set out in the *Employment Equity Act* (Canada) (the “EEA”), namely (i) women, (ii) Aboriginal peoples, (iii) persons with disabilities, and (iv) members of visible minorities (as such terms are defined in the EEA).

Jura has not adopted a formal written policy relating to the identification and nomination of director nominees from Designated Groups at this time. When identifying new candidates for nomination to the Board or for appointment to executive officer positions, the Corporate Governance and Nominating Committee does not explicitly consider the level of representation of Designated Groups, but considers a broad variety of factors it considers appropriate, including but not limited to professional experience, skills, knowledge and industry experience. In addition, diversity in skills and perspective arising from personal and professional experience is considered when identifying such candidates. As set out in its Code, Jura considers diversity to be important, and is committed to providing equal treatment in all aspects of its business. However, the priority of Jura in recruiting new candidates to its board and senior management team is to attract individuals that will bring value to the Corporation and its Shareholders by possessing a suitable mix of qualifications, experience, and expertise.

Jura has not currently adopted targets for representation of members of Designated Groups to be members of its Board or senior management team by a specific date or time. The current composition of the Board includes two members that are visible minorities (representing 33.3% of the board). Jura’s senior management team currently includes two persons that are visible minorities (representing 66.7% of the senior management team). Presently, no persons who are women, Aboriginal peoples, or persons with disabilities are members of the Board or senior management team of Jura.
